

OUR FOOD STORY

The South West has a rich larder of food and drink, and we take pride in celebrating the incredible culinary treasures found right here in Devon. Championing local businesses and keeping food miles to a minimum are at the heart of what we do.

Our commitment to sustainability and locally sourced produce goes beyond the plate. We work closely with local suppliers, continually seeking ways to reduce our environmental impact while expanding our range of high-quality, sustainably sourced seasonal ingredients.

We're always looking for new ways to keep our menus fresh and exciting, with delicious dishes for a variety of dietary preferences. Gluten-free alternatives are available for most dishes, including our chef-created gluten-free batter, which tastes so good that we now use it as our standard batter.

Get ready to embark on a delicious adventure and enjoy a proper taste of Devon.

Enjoy!
